Young Adult Fellowship Group Forms

A Young Adult Fellowship will take its place among the activities of Central Community Evangelical Church beginning Friday night. Thereafter it will meet twice a month. The need for a larger part in the program and life of the church for this particular group has often found expression. Rev. H. Wesley Roloff announced that it is but one of several important steps in a process of making Central Church ministered more completely to all the various age groups. At a meeting held last Sunday evening it was decided that a Young People's Fellowship should be sponsored also. The first meeting was conducted by a team representing the Los Angeles County Christian Endeavor organization. The local organization, although it will function under the name Evangelical Youth Fellowship, will be affiliated with Christian Endeavor. Another interest development in this department was the recent organization in the Sunday School of Co-ed Class for high school youths.

The pastor of Central Church is being assisted temporarily by Rev. Paul E. Miller, until recently Group Chaplain of the Sixth Ferrying Group at Long Beach Army Air Field. Miller is a minister of the Pittsburgh, (Pa.) Conference of the Evangelical Church. He will preach the sermon in the evening service on the coming Sunday.

"My dearly beloved, flee from idolatry." This verse from I Corinthians will be the Golden Text of the Sunday Lesson-Sermon on "Matter" in all branches of The Mother Church, The First Church of Christ, Scientist in Boston, on "Matter" in all branches of the Mother Church. "A woman having an issue of blood twelve years, which had spent all her living upon physicians, neither could be healed of any. Came behind him, and touched the border of his garment; and immediately her issue of blood was healed." And Jesus said, "Who touched me?" "But when the woman saw that she was not hid, she came trembling, and falling down before him, she declared unto him before all the people for what cause she had touched him, and how she was healed immediately. And he said unto her, Daughter, be of good comfort, thy faith hath made thee whole; go in peace." Mary Baker Eddy writes in "Science and Health with Key to the Scriptures": "Because man-made systems insist that man becomes sick and useless, suffers and dies, all in consonance with the laws of God, are we to believe it? Are we to believe an authority which denies God's spiritual command relating to perfection—an authority which Jesus proved to be false?"

Survey Mission To Be Conducted By Church Group

Plans for the Survey-Enlistment Mission to be conducted in Torrance were advanced several steps at the regular March meeting of the Ministerial Union. The ministers, under the chairmanship of Rev. Clyde E. Ruckman, virtually took the city apart, and handed pieces of it to each church as the areas of primary responsibility in the campaign and the follow-up that will ensue. Reports from the various churches indicated that there would be full quotas of workers ready for the canvass which will be held on the afternoon of Sunday, March 31. T mass meeting of workers for instruction will precede the actual survey. Dr. Harry G. Munro, Director of the National Christian Teaching Mission, is expected to address the meeting, which will be held in Central Evangelical Community Church on Friday evening, March 29. This Mission, which will seek
